

High School Hockey Summer Showcase League Sponsored by Reebok

The goal of this league is to promote NH's best high school hockey players to college, prep and junior coaches so they can continue their playing career when they finish their high school experience. This league is for serious players who played varsity high school hockey, prep hockey or junior B hockey in the past year, including graduating seniors who are interested in playing either prep school or junior hockey.

The league will again be on Tuesday nights this summer, this will benefit those who participate in the High School Development Camp. There will be an eight game regular season starting June 17th followed by 2 weeks of playoffs. The league schedule and rosters will be forwarded to Prep and junior coaches so they can come and scout the best NH has to offer. During the high school season many of these coaches are unable to watch high school hockey because of conflicting schedules.

Casey Kesselring is not only the Pinkerton Academy Head Hockey Coach but he is the Director of Hockey Operations for Total Sports Management a NH based hockey agency. His experience and contacts in the hockey world will prove invaluable as he promotes the league.
